```
Sweet little Rosie, my softest machine,
```
G#              C#        G#          Eb
```
Bounces with me on my big trampoline.
```
G#              C#             G#          C#
```
Childish and silly we re part of a team,
```
G#          C#          Eb          G#
```
Me and my Rose on my big trampoline.

```
G#          C#          G#              C#
```
I was a shadow, I d smoke and I d sleep.
```
G#                    C#           G#            Eb
```
 Till you came and I opened like a flower to the heat.
```
        G#          C#          G#                 C#      (C#sus4)
```
And now Rosie she tells me of things that she s seen,
```
    G#              C#          Eb          G#
```
With flowers in her hair on my big trampoline.
