

## High Hopes

Paolo Nutini

Paolo Nutini - High hopes  
Amazing artist and song :)

**C** **F**  
My hopes are high but my eyes can't  
**C**  
Believe what they see,  
**G**  
Give me something to believe,  
**F** **C**  
Give me something to believe,  
**C**  
I got lucky in life and had plenty to eat and  
  
I saw this world as one big pool of opportunity  
**F**  
But there's too much mind corruption,  
**C**  
Too little remedy (or that's how it seems to me)  
**G**  
Yeah we need a moral education to  
**F** **C**  
Set the young minds free...  
  
**C**  
So let us teach what we can and accept what we can't  
  
Impart some of the wisdom from that tried and tested man  
**F**  
There's no harm in being wrong you know no,  
**C**  
In fact to me, it's common ground - yeah  
**G**  
So take that feather from your cap sir,  
**F** **C**  
And pass that feather around...  
  
**C** **F**  
My hopes are high but my eyes can't  
**C**  
Believe what they see,  
**G**  
Give me something to believe in,  
**F** **C**  
Give me something to believe,  
**C** **F**  
My hopes are high but my eyes can't

C

Believe what they see

G

Give me something,

F

C

Give me something to believe
