*I dont know if Paolo used a capo in this song,kasi halos song nya ay nilalagyan nya ng capo,i didnt used a capo sa pagtranscribe ko nito at tsaka para na din eto sa mga hindi nagka capo,by the way this is my trasncription of it..this is played on two guitars,dko na lang tinanscribed ung overdubbed guitar kasi parang nag jajamming lang ung soloist ni Paolo nito sa Key of A...pero if you want me to transcribe it,mail me na lang para madagdagan ko...and lastly,ung rhythm strokes, listen na lang kayo sa cd nyo..happy pickin ...
