**F-G-C 2x**

Verse:

**F**                    **G**                    **C**  
it s her hair and her eyes today  
**F**                    **G**                    **Am7**  
that just simply take me away  
**F**                    **G**                    **C**                    **Am7**  
and the feeling that i m falling further in love  
**F**                    **G**                    **Am7**  
makes me shiver but in a good way

(same chords)  
all the times i have sat and stared  
as she thoughtfully thumbs through her hair  
and she purses her lips, bats her eyes as she plays,  
with me sitting there slack-jawed and nothing to say

Refrain:

**C**  
coz i love her with all that i am  
**C7**  
and my voice shakes along with my hands  
**F**                    **G**                    **C**                    **Am7**  
coz she's all that I see and she's all that I need  
**F**                    **G**                    **C**  
and i m out of my league once again

(same chords)  
it s a master for melody  
when she calls out my name to me  
as the world spins around her she laughs, rolls her eyes  
and i feel like i m falling but it s no surprise
