Tuning: Standard Tuning, capo on 1st fret for original key!all chords
 are relative to capo.

Eto na po yung request ninyo!!! pasensya na natagalan BC me eh!!yung ibang tabs ni paolo saka kona gagawan ng tab pag may time ako!

NOTE: yung original key nya is 1/2 step higher(G#)but i hear a lower key of F open 6th string and it is very hard to use the Em7 chords without capo, so it was played with a capo on the first fret: pwede na ring walang capo pero 1/2 step lower tune tyo.

Note: use this chords,for me it is the original chords!
