VERSE 2 same chords

This is more for me than for you
Girl, I finally see there's no substitute
For what we have
Do you know how much I love you?
And what we've shared
I can't forget
Girl, a love like yours
I'll never let just slip away
Just promise me that you'll stay

CHORUS same chords

Even though for right now youâ€™re so far away
Gonna tell you and show you
Do whatever I can do to get back to you
Girl, lately
my sun doesnâ€™t shine without you
Never noticed

Feels like I took my last step
And my last breath in my life ending
Had to say just what I was feeling, girl
