VERSE 2 same chords

This is more for me than for you
Girl, I finally see there's no substitute
For what we have
Do you know how much I love you?
And what we've shared
I can't forget
Girl, a love like yours
I'll never let just slip away
Just promise me that you'll stay

CHORUS same chords

Heaven knows what to say
Even though for right now you're so far away
Gonna tell you and show you
Do whatever I can do to get back to you
Girl, lately
my sun doesn't shine without you
Never noticed
what it feels like to be without you
Feels like I took my last step
And my last breath in my life ending
Had to say just what I was feeling, girl
'Cause my sun doesn't shine,
Sun doesn't shine...
