Tuning: Drop C...could do D flat...but he plays it in C live

if you have any trouble with the rythm please instant message me and I will be glad to help you..if you see a problem...tell me or fix it for me.

im not putting the rythm in here so these are just the chords. It starts out just P.M the chords but then Jerry just fools around with all his strings muted between chords for second half of the first verse and the second verse.

Verse

```

D |-----|
A |-----|
F |-----|
C |-10----8----3----6----8-----|
G |-10----8----3----6----8-----|
C |-10----8----3----6----8-----|

```

Chorus

```

D |-----|
A |-----|
F |-----17-----|
C |-10---6---3---8-----10---6-----15-|
G |-10---6---3---8-----10---6-----15-|
C |-10---6---3---8-----10---6-----15-|

```

Between Chorus and Verse (and then the bridge)

```

D |-----|
A |-----|
F |-----|
C |--1---8-----6-----|
G |--1---8-----6-----|
C |--1---8-----6-----|

```

After that it goes back to the verse...then the chorus...then that little interlude...palm mute and play the 6 to get into bridge...

```

D |-----|
A |-----|
F |-----8---8-----|
C |-10-10-8-10---6-6-6---x---x---3-3-1-3---3-3-1-3---|
G |-10-10-8-10---6-6-6---6---6---3-3-1-3---3-3-1-3---|

```

C|-10-10-8-10---6-6-6-----3-3-1-3---3-3-1-3-----|

The bridge repeats a few times...and then it goes back to the beginning of the first verse...same chords...palm muted all the way...Then back to the chorus...but the chords after the last chorus are a little different.

No promises on

how

right this is.

D|-----  
A|-----  
F|-----17-----  
C|-1---8---15-----  
G|-1---8---15-----  
C|-1---8---15-----|

the rythms change up a little on parts...and the end goes back to the original interlude.
