

**Days We Made  
Paper Aeroplanes**

**G**  
too many words still left to say  
**C**  
that had no fate  
**D**  
stole you away  
**G**  
the neverending story play  
**C**                      **D**                      **G**  
the days, the days we made.

**Em**                      **C**                      **D**  
and it s you who lingers on.  
**Em**                      **C**                      **D**  
and it s you who spurs me on.  
**Em**  
and it s you.  
**C**                      **D**                      **G**  
the days, the days we made.

repeats in this pattern for each verse and chorus :)
