

Intro (Alternates): **G#m, F#, F#, E** and **E, B, G#m, F#**

[Bridge]

E(add9) **F#** **G#m** **F#sus4/A#**
Let me hold your hand my dear at least until the smoke has cleared

E(add9) **F#**
Our love has turned towards your eye

G#m **B(add9) E**
I don t know why I go in circles

E(add9) **F#** **G#m** **F#sus4/A#**
Would I be a fool to think that I could find recovery

E(add9) **F#**
In every single lonely ride

G#m **B(add9) E**
I don t know why I go in circles
