

**Last Time**

**Paper Route**

Tabbed by fsharpmajorben. Original Key is B Major.

Intro (Alternates): **G#m, F#, F#, E** and **E, B, G#m, F#**

**E Esus2 B Bsus2**  
I wanna give up again my love and live like a runaway  
**G#m F# F#sus4**  
Making bands in an alley way, so I can dream of a better day  
**E Esus2 B Bsus2**  
Is there anyone left who will understand I m made of flesh and bone  
**G#m**  
I tried to tell you on the telephone  
**F# F#sus4**  
All I needed was a stepping stone

**E B**  
This is the last time  
**G#m**  
I m gonna let you down  
**F#**  
It s finally over  
**Esus2**  
It s finally over

**E Esus2 B Bsus2**  
Every time I try to go to sleep you flood my memory  
**G#m F# F#sus4**  
Though I live like and absentee, all I care is that you reach for me  
**E Esus2 B Bsus2**  
I m gonna burn that bridge and build a home with waters weaving underground  
**G#m**  
Livin high and searching for the sound  
**F# F#sus4**  
A silent wall and we tore it down

**E B**  
This is the last time  
**G#m**  
I m gonna let you down  
**F#**  
It s finally over  
**Esus2**  
It s finally over  
(x2)

[Bridge]

**E(add9)**                    **F#**                    **G#m**                    **F#sus4/A#**  
Let me hold your hand my dear at least until the smoke has cleared

**E(add9)**                    **F#**  
Our love has turned towards your eye

**G#m**            **B(add9) E**  
I don t know why I go in circles

**E(add9)**                    **F#**                    **G#m**                    **F#sus4/A#**  
Would I be a fool to think that I could find recovery

**E(add9)**                    **F#**  
In every single lonely ride

**G#m**            **B(add9) E**  
I don t know why I go in circles
