

Second Chances Paper Route

This is my first submission, so please feel free to comment and fix things....but this song is very straight forward....shouldn't be a problem.

Intro: **Am C G F** X4

F Am C G F X4 **Am**
Ahhhhh

C G F Am
can you place yourself in a moment's notice,

C G F Am
in my situation?

C G F Am
Increasingly you've made me cold and afraid,

C C F Am
a lonely companion.

(same as above)
Apparently love runs on one way courses,
away from contentment.
Or maybe there's anger that can't be expressed,
that fuels your resentment.

Am C G
If you gave me a chance to show you,

F
would I come back and show you?

Am C G
If you gave me a chance to love you,

F
could I come back and love you?

Am C G F
I gave you everything, but I couldn't give enough.

Am C
Then you threw stones at me

G F Am

and said that they were thrown in love.

C **G** **F** **Am**
Turns out that I don't really love you at all,

C **G** **F** **Am**
cause love would find forgiveness.

C **G** **F** **Am**
Save your ammunition for somebody else,

C **G** **F** **Am**
I'm all second chances.

C **G** **F** **Am**
Save your ammunition for somebody else,

C **G** **F**
I'm all second chances.

Am **C** **G** **F**
Nothing's good, nothing's right, but I love you.
Nothing's good, nothing's right, but I love you
