

**Tamed**  
**Paper Route**

**Dm**

Love

**G**

Remember when

**Bm**

By our favorite tree

**Dm**

You were holding me

**Dm**

Talking

**G**

About growing old

**Bm**

And with your hand

**Dm**

You traced my eyes

**Dm**

**G**

Nothing s gonna hold you back

**Bm**

**Dm**

Oh nothing can hold you back

**Dm**

Love

**G**

All our youth

**Bm**

To bathe in light

**Dm**

To sacrifice

**Dm**

Kiss me

**G**

Before I go

**Bm**

And with every step

**Dm**

I m returning home

**Dm**

**G**

Nothing s gonna hold you back

**Bm**

**Dm**

Oh nothing can hold you back

**Dm**

**G**

Nothing s gonna hold me back

**Bm**

**Dm**

Oh nothing can hold me back
