

Be Here
Parachute

Be here by parachute

Capo: 3

Intro: **G, C, Em, D Em** (pick)

Verse 1:

G Well she wants to get in. **C** And she wants to get out **Em**

D Em G
But the city it calls her name

G And the scars that she hides with those stars in her eyes **Em**

D Em
Like the echoes theyâ€™re all the same

Pre-Chorus:

C Cause it s all been done before **D Em**

C Yes it s all been done before **G D**

Chorus:

G And oh, you can let this one go. You can try on your own **Em**

D G C
But I want you to be here And oh, now the signs are all quiet

Em C
And the streets are all tired And I want you to be here

Verse

G Well she s sick of this town And the walls in this house **Em**

Em D G
And her pride just won t let her see

G C Em
That when she swears that she s made With the heart that won t break

Em D
She could be dead but sheâ€™d still believe

Pre-Chorus

C that it s it s all been done before **D**

C G D
Yes it s all been done before

Chorus:

G **C** **Em**
 And oh, you can let this one go. You can try on your own
D **G** **C**
 But I want you to be here And oh, now the signs are all quiet
Em **C**
 And the streets are all tired And I want you to be here
Em **C**
 oh I want you to be here

Bridge:

Am **Em** **G**
 They can tell you that they want you To stay for what you ve done
Am **Em** **G**
 They can tell you that it s alright To be what you ve become
Am **Em** **G** **D**
 And you go Cause you know It s for show

Chorus:

G **C** **Em**
 And oh, you can let this one go. You can try on your own
D **G** **C**
 But I want you to be here And oh, now the signs are all quiet
Em **D**
 And the streets are all tired And I want you to be here
G **C** **Em**
 And oh, now I tried to be quiet But this heart is on fire And I want
C
 you to be here
Em **D**
 I want you to be here
Em **D**
 I want you to be here
Em **D**
 I want you to be here
C **D** **G**
 I want you to be here
