

**Be Here  
Parachute**

Be here by parachute

Capo: 3

Intro: **G, C, Em, D Em** (pick)

Verse 1:

**G** Well she wants to get in. **C** And she wants to get out **Em**

**D Em G**  
But the city it calls her name

**G** And the scars that she hides with those stars in her eyes **Em**

**D Em**  
Like the echoes theyâ€™re all the same

Pre-Chorus:

**C** Cause it s all been done before **D Em**

**C G D**  
Yes it s all been done before

Chorus:

**G** And oh, you can let this one go. **C** You can try on your own **Em**

**D G C**  
But I want you to be here And oh, now the signs are all quiet

**Em C**  
And the streets are all tired And I want you to be here

Verse

**G** Well she s sick of this town **C** And the walls in this house **Em**

**Em D G**  
And her pride just won t let her see

**G C Em**  
That when she swears that she s made With the heart that won t break

**Em D**  
She could be dead but sheâ€™d still believe

Pre-Chorus

**C D**  
that it s it s all been done before

**C G D**  
Yes it s all been done before

Chorus:

**G** **C** **Em**  
 And oh, you can let this one go. You can try on your own  
**D** **G** **C**  
 But I want you to be here And oh, now the signs are all quiet  
**Em** **C**  
 And the streets are all tired And I want you to be here  
**Em** **C**  
 oh I want you to be here

Bridge:

**Am** **Em** **G**  
 They can tell you that they want you To stay for what you ve done  
**Am** **Em** **G**  
 They can tell you that it s alright To be what you ve become  
**Am** **Em** **G** **D**  
 And you go Cause you know It s for show

Chorus:

**G** **C** **Em**  
 And oh, you can let this one go. You can try on your own  
**D** **G** **C**  
 But I want you to be here And oh, now the signs are all quiet  
**Em** **D**  
 And the streets are all tired And I want you to be here  
**G** **C** **Em**  
 And oh, now I tried to be quiet But this heart is on fire And I want  
**C**  
 you to be here  
**Em** **D**  
 I want you to be here  
**Em** **D**  
 I want you to be here  
**Em** **D**  
 I want you to be here  
**C** **D** **G**  
 I want you to be here
