**Parachute**

Forever and Always (Acoustic)  
Parachute

Tabbed By: Chris Ramsey (SharpE1293)

Standard tuning EADGBE

This is my first tab so sorry if there are any mistakes at all :).  
All the credit goes to Sean Sydejko who made the great cover for this song, I just wrote the tab because there wasn't one out!!  
Please watch the video if you want a better idea of strumming patterns how to sing it etc. :D

VERSE 1:

**D5** **Asus4**  
She sits at the table  
**D5/B**  
The hours get later  
**Aadd11**  
He was supposed to be here  
**D5**  
She's sure he would have called  
**Asus4**  
She waits a little longer  
**D5/B**  
There's no one in the driveway  
**Aadd11**  
No one's said they've seen him  
Why is something wrong? (CHORDS CARRY ON IN SAME PATTERN)  
She looks back to the window and suddenly the phone rings  
A voice says something happened and she should come right now  
Her mind goes to December  
She thinks of when he asked her

CHORUS:

**D** **Asus4**  
I want you forever  
**Bm**  
Forever and always

**G** **D**  
Through the good and the bad and the ugly

**Asus4**  
We ll grow old together  
**G**  
Forever and always

VERSE 2:

**D5** **Asus4**  
She pulls up to the entrance  
**D5/B**  
And goes to the front desk  
**Aadd11** **D5**  
They lead her down a million halls, a maze that s never ending  
**Asus4** **D5/B**  
They talk about what happened, but she can barely hear them  
**Aadd11** **D5/B**  
She tries to keep a straight face as she walks into the room  
**Asus4** **D5/B**  
She sits by his bed, and held his hand too  
**Asus4** **D5/B**  
They talk about the kids they re gonna have and the good life  
**Aadd11** **D**  
The house on the hillside where they would stay

CHORUS:

(Chord pattern is the same as the first verse, just finish with a G on the last  
always )

Stay there forever  
Forever and always  
Through the good and the bad and the ugly  
We ll grow old together  
But always remember  
Wether rich or for poor or for better  
We still love each other  
Forever and always

VERSE 3:

**D5/B** **Asus4** **D5/B**  
Then she gets an idea and calls in the nurses  
**Aadd11**  
Brings up the chaplem  
**D5/B**  
And he says a couple verses  
**Asus4** **D5/B**  
She borrows some rings from the couple next door  
**Aadd11** **D5/B**  
Everybody s laughing as the tears fall on the floor  
**Asus4**  
She looks into his eyes and she says

CHORUS:

I want you forever  
Forever and always  
Through the good and the bad and the ugly  
We ll grow old together  
But always remember  
Wether happy or sad or whatever  
We still love each other  
Forever and always

VERSE 4:

**D Asus4**  
Forever and always  
**G**  
Forever and always

**D Asus4 D5/B**  
She finishes the vows, but the beeps are getting to slow  
Aadd11  
His voice is almost too low  
As he says

**Bm**  
Forever and always

**Asus4 G**  
I ll always love you forever and always
