

**Hurricane
Parachute**

This is my first tab and I m a self-taught 13 year old, so please tell me about the mistakes. Also, it kinda messed up the positions of the notes, so that might need fixed. Thanks!
Capo I

C
Im telling you I went dry
 G **D**
I couldnt do it anymore
 C
Told myself that I was fine,
 G **D**
It was something that id just ignore
 Em
That id feel a weight lift up
 D **G**
The moment that I followed through.
 Em
But I guess I fooled myself,
 G **D**
Cuz I never really wanted to.

Em
Oh I knew
 D
That even if I kept you in the dark
 Em
It would never do

D **C**
Because it only takes a spark

D
Im standing in the pouring rain
 Em
I feel it like a hurricane
 G
A photograph is all it takes
 C
But I know I shouldn't let it
 D
And the memory is rising fast
 Em
Its seeping in through every crack

G

Oh funny how it all comes back

When youre trying to forget it

D C G Em
Ooh ooh ooh Here comes the hurricane x2

C

Oh when I cut you off

G D
It was something that I had to do

C

You can try to push it down

D

But its always gonna follow you

Em

And yeah if you close your eyes

D

G

It doesnt mean you fell asleep

Em

Oh and I could keep you out

G

D

But youre never really gonna leave

Em

Oh I knew

D

That even if I kept you in the dark

Em

It would never do

D

Its seeping in through every crack

G

Oh funny how it all comes back

When youre trying to forget it

D C G Em

Ooh ooh ooh Here comes the hurricane x2

Em D Em D

Oh everybody knows I didnt want it to end

Em D Em C

Oh everybody knows I didnt want it to end, yeah
