

Kiss Me Slowly
Parachute

Capo 2

[Intro]

Em Em/F# G C D

[Verse]

Em Em/F# G
Stay with me, baby stay with me
C D
Tonight, don't leave me alone
Em Em/F#
Walk with me
G
Come and walk with me
C D
To the edge of all we've ever known
Em Em/F#
I can see you there with the city lights
G
Forteenth floor pale blue eyes
C D
I can breathe you in
Em Em/F#
Two shadows standing by the bedroom door
G
You know I could not want you more
C
Then I did right then
D
As our heads leaned in

[Chorus]

C
Well I'm not sure what this going to be
G
But with my eyes clenched all I see
Em
Is the sky line through the window
D
The moon above you and the streets below
C

Hold my breath as you re moving in

G

Taste your lips and feel your skin

Em

When the time comes

D

Baby don t run, just kiss me slowly

[Instrumental]

Em Em/F# G C D

[Verse]

Em Em/F# G

Stay with me, baby stay with me

C

D

Tonight, don t leave me alone (me alone)

Em

Em/F#

She shows everything she used to know

G

Picture frame and country roads

C

D

When days were long, and the world was small

Em

Em/F#

She stood by has it fell apart

G

Seperate rooms and broken hearts

C

D

But I won t be the one to let you go

Ohhhh

[Chorus]

C

Well I m not sure what this going to be

G

But with my eyes clentched all I see

Em

Is the sky line through the window

D

The moon above you and the streets below

C

Hold my breath as you re moving in

G

Taste your lips and feel your skin

Em

When the time comes

D

Baby don t run, just kiss me slowly

C G

[Bridge]

Em D C
Don t run away....

G
And it s hard to love again

Em
When the only way it s been

D
When the only love you knew

Just walked away.

C G
It gets something that you want

Em
Darling you don t have to run

D
You don t have to go

Em Em/F# G
Just Stay with me, baby stay with me

[Chorus]

C
Well I m not sure what this going to be

G
But with my eyes clenched all I see

Em
Is the sky line through the window

D
The moon above you and the streets below

C
Hold my breath as you re moving in

G
Taste your lips and feel your skin

Em
When the time comes

D
Baby don t run, just kiss me slowly

C
I m not sure where this is going to go

G
But in this moment all I know

Em

Is the sky line through the window

D

The moon above you and the streets below

C

Hold my breath as you re moving in

G

Taste your lips and feel your skin

Em

When the time comes baby

D

Don t run just kiss me slowly
