She For Liz
Parachute

TUNING: Standard
CAPO: 1. fret

E: 022100
F#: 244322
A: x02220
C#m: x46654
B: x24442

E   **F#**
She has no problem with secrets
                 A
She knows how to keep them
                      C#m   **B**
She never felt the need to let them show
E   **F#**
And I ve had no trouble with speaking
             A
Or trusting my instincts
                    C#m   **B**
That maybe this is one that I should know

C#m   **B**
But as I m waiting there
    E   (**F#**)
The devil on my shoulder stares
 A   **C#m**
Laughing that the one thing I can t get
        B
Is what I need

C#m   **A**   **E**
She, She is the words that I can t find
          C#m   **A**   **E**   **B**
How can the only thing that s killing me make me feel so alive
            C#m
And I couldn t speak
         A   **E**
I couldn t breathe to save my life
           C#m   **A**
All of my chances swim like sinking ships
      E
This time it s it
     B   **C#m**
I ll drown or make her mine

```
C#m                               F#
My vocal chords have been fighting Â¨
                    A
My mouth likes to spite me
                  C#m                   B
It never says the words that come to mind
E                         F#
I brought a stick to a gun fight
                                A
And I m stuck with my tongue tied
          C#m                 B
I run but I can t hide what s always there is

C#m             A                    E
She, She is the words that I can t find
          C#m                 A           E         B
How can the only thing that s killing me make me feel so alive
              C#m
And I couldn t speak
            A                 E
I couldn t breathe to save my life
          C#m                 A
All of my chances swim like sinking ships
      E
This time it s it
      B                   A
I ll drown or make her mine

A       C#m        E         B
I can see these things I d do
     A     C#m      E       B
But never seem to follow through

C#m             A                    E
She, She is the words that I can t find
          C#m                 A           E         B
How can the only thing that s killing me make me feel so alive

C#m               A                    E
She, She is the words that I can t find
          C#m                 A           E            B
How can the only thing that s killing me make me feel so alive
              C#m
And I couldn t speak
            A                   E
I couldn t breathe to save my life
          C#m                 A
All of my chances swim like sinking ships
      E
This time it s it
      B                   C#m
I ll drown or make her mine
    A
```

```
Whoah - Oh
                        E A
I ll drown to make her mine
      C#m              B
Whoah - oh - whoaoah
            C#m
I couldn t speak
              A                      E
I couldn t breathe to save my life
            C#m                  A
All of my chances swim like sinking ships
        E
This time it s it
        B                    C#m (or E)
I ll drown to make her mine
```
