

City Lights

Parade The Day

Alright, to start this off, I just want to say that Parade The Day is a very talented
unlike some other bands in this genre.

This song (City Lights), is incredible, along with every other song done by Parade The Day!

So do yourself a favor and listen to everything they ve put out(:

Into/Verse:

Bm, G, Bm, D

Pre-Chorus/Chorus:

G, Bm, G, D

And that s what I figured out.
It sounds pretty good to me.
