C
Turn it up boy boy turn it up boy
Am
Turn it up boy boy turn it up boy

C
This could be like Romeo Juliet
Am
A tender love we won't regret
G
I feel the way you're feeling to
F
But baby I need more volume

C
I need to hear your heart go boom
Am
If we're going to rock it rock the room
G
Do it as bad as injected
F
Baby don't whisper what you're saying

C
Just imagine us now but with a little more power
Am
We'd be thundering
G
We could make it so hot
F
And we'd be living it up so tell me one thing

F
Turn it up (x4)
C
Turn it up louder louder louder
Am
Turn it up louder louder louder
G
Hold that bass under my feet
F
Feel that rhythm you won't be beat
C
Turn it up louder louder louder
C
Turn it up boy boy turn it up boy
Am

Turn it up boy boy turn it up boy

G

Turn it up boy boy turn it up boy

F

Turn it up boy boy turn it up boy

C

I gotta get a rush so I need to say your love is dangerous

Am

But now you re pushing zero on the meter

G

F

So go connect your body to a speaker ooh

C

I need emotion

Am

You don t need to worry about caution

G

I wanna push your level to distraction

F

I wouldn t really care much unless cause I can handle handle this

C

Just imagine us now but with a little more power

Am

We d be thundering

G

We could make it so hot

F

And we d be living it up so tell me one thing

F

Turn it up boy boy turn it up boy

C

Are you getting to my heart

Am

Are you really getting to ma to ma heart yeah

G

Eh yeah are you getting to my heart

F

Dude your really getting to ma to ma heart

C

You got to try always try keeping me

Am

Boy if your finding it easy to leave

G

I won t be missing you like you missing me

F

And when I m gone you ll be walking the stream

C

Turn it up louder louder louder

Am

Turn it up louder louder louder

G
