

Fall On Me
Paradise Fears

This is my very first chord sheet ever posted, heard the acoustic version and I played it by ear, please comment if it's a little off, but I think it sounds really good :)
I don't know why those numbers showed up... But it's still readable :)

Fall on me (Acoustic)

Standard Tuning

Capo on 2nd Fret

Intro: **G, C, Em, D**

G

She said you're going insane,

C

Just promise you'll drop my name,

Em **D**

When you drop off the face of the planet

G

You took me for granted,

C

Now I'm finding my way home alone,

Em **D**

Leaving you swallowing silence for two,

Just blame it

G

Fall on me,

C

Fall on me,

Em **D**

Fall on me now

G

Tell all of your friends,

C **Em**

All that remains to be said,

D **Em** **D**

Three little words and the end

G

You can take it all back,

C

Or watch this all fade to black,

Em **D**

Your problem, you claim it,

Em **D**

Just turn your back and blame it

G

Speak low if you speak revenge,

C

Dangerous game called pretend,

Em

Hands to the matches,

Em

Weâ€™re throwing a spark,

D

Stuttering lies to keep the truth in the dark

G

And Iâ€™ll keep breathing because youâ€™re choking me out,

C

And Iâ€™m sick of being in your shadow of doubt,

C

But thatâ€™s what I get for mixing pleasure with pain,

Em

So Iâ€™ll turn the clock back,

D

And wait for the rain to

G

Fall on me,

C

Fall on me,

Em D

Fall on me now

G

Tell all of your friends,

C Em

All that remains to be said,

D Em D

Three little words and the end

G

You can take it all back,

C

Or watch this all fade to black,

Em D

Your problem, you claim it,

Em D

Just turn your back and blame it

(And it repeats the prechorus and chorus one more time)

Thank you
