I don t mind  
Letting you down easy  
But just give it time  
If it don t hurt now  
Then just wait

Just wait a while  
You re not the big fish in the pond  
No more  
You are what they re feeding on

So what are you gonna do  
When the world don t orbit around you?

Where you re from?  
You might be the one  
Who s running things  
Well, you could ring anybody s bell  
And get what you want  
You see it s easy to ignore  
A trouble  
When you re living in a bubble
