

Another Day
Paramore

verse-**E5** **B/D#** **C#5** **A5** 4X

And if you listen to me: I miss you
And if you hear me now: I need you
Where did you go cause you re not gone
Everyone knows that something is wrong
The wires were cut and I m alone

REF-]

E

I know we re getting closer

E

C#5

I know you re coming back for me this time

C#5

This time

CHORUS- **A5** **E5** **F#5** 4X **G#5-A5**

And do you ever want me?
Do you ever need me?
I know that you left before goodbye
And it s okay, there s always another day
And any time you want me
Any time you see me
I don t think you meant to say goodbye
But it s okay, there s always another day

verse-**E5** **B/D#** **C#5** **A5** 4X

Your voice comes in and now it s fading
I can t believe this, is so frustrating
Cause you never seems to understand
And you let me slip straight through your hands
And how does it feel to be alone?
