

**Breathe (until Tomorrow)**  
**Paramore**

**(Bb Gm)**

I Climb, I Slip, I Fall  
Reaching for your hands  
But I lay here all alone  
Sweating all your blood  
If I could find out how  
To make you listen now  
Because I m starving for you here  
With my undying love and I  
I will

**Dm Bb Am Bb**

Breathe for love tomorrow

**Dm Bb Gm Bb**

Cause there s no hope for today

**Dm Bb Am Bb**

Breathe for love tomorrow

**Dm Bb Gm Bb**

Cause maybe theres another way
