

**Breathe**  
**Paramore**

VERSE:

**G**

I climb I slip I fall,  
reaching for your hands,

**Em**

but I lay here all alone,  
sweating all your blood....

CHORUS:

**D**

**Am**

Breathe for love tomorrow,

**Em**

cause there s no hope,

**G**

for today...

It goes all the same so you just repeat it untill the end :)

Hope it helped!
