

**Bbm C# C#/F F#**  
 shot Just enough time  
**G# Bbm**  
 to plan an escape route  
**C#/F F#**  
 I put my map on the  
**G# C#**  
 wall in the basement  
**C#/F F#**  
 Not quite a victory to  
**G# Bbm**  
 run from your problems  
**C#/F F#**  
 But it s the only  
**G# C#**  
 plan that I got  
**C#/F F#**  
 it s the only  
**G# C#**  
 plan that I got

Chorus 1:

**F# C#**  
 And if you try to  
**G# Bbm Fm**  
 find me now (oh oh oh oh)  
**F# C#**  
 I m in all the echoes  
**G#**  
 that have faded out  
**F# G#**  
 So I m moving on cause I  
**Bbm G#/C**  
 just want to feel for  
**C# C#/F F#**  
 once that I belong  
**G#**  
 And that s what s going  
**C#/F F# G#**  
 on that s  
**Bbm C#/F F# G# C#**  
 what s going on

Verse 2:

**C#/F F#(Hold)**  
 Cross the state line  
 and called out a warning  
**C#/F(hold)**  
 Not too long now I ll  
 breathe California  
**C#/F F#**

Paid my dues and  
**G# Bbm**  
 I ll try to be loyal  
**C#/F F#**  
 But now I m done  
**Bbm C#**  
 with all that  
**C#/F F#**  
 Where I m going is  
**G# Bbm**  
 everyone s story  
**C#/F F#**  
 We want you left  
**G# C#**  
 we re left to start over  
**C#/F F#**  
 It s not a question  
**G# Bbm**  
 of who are we really  
**C#/F F# G# C#(Hold)**  
 It s who we wanna be

Chorus 2:

**F# C#**  
 And if you try to  
**G# Bbm Fm**  
 find me now (oh oh oh oh)  
**F# C#**  
 I m in all the echoes  
**G#**  
 that have faded out  
**F# G#**  
 So I m moving on cause I  
**Bbm G#/C**  
 just want to feel for  
**C# C#/F F#**  
 once that I belong  
**G#**  
 And that s what s going on

Bridge:

**Bbm F# C#**  
 All that s in between a  
**Bbm F# C#**  
 brand new life and I this time  
**Bbm G#**  
 But time has not been kind  
**C# C#/F**  
 It s not been kind to me  
**F#**  
 itâ€™s winding backwards

**Bbm**                    **G#**  
Time has not been kind  
                          **F#--**  
itâ€™s crawling by so slowly!

Chorus 3:

**F#**                    **C#**  
And if you try to  
                          **G# Bbm Fm**  
find me now (oh oh oh oh)  
**F#**                    **C#**  
I m in all the echoes  
                          **G#**  
that have faded out  
**F#**                    **G#**  
So I m moving on cause I  
                          **Bbm G#/C**  
just want to feel for  
**C#**                    **C#/F F#**  
once that I belong  
                          **G#**  
And that s what s going on  
**F#**                    **C#/F**  
And if you try to  
                          **G# Bbm Fm**  
find me now (oh oh oh oh)  
**F#**                    **C#/F**  
I m in all the echoes  
                          **G#**  
that have faded out  
**F#**                    **G#**  
So I m moving on cause I  
                          **Bbm G#/C**  
just want to feel for  
**C#**                    **C#/F F#**  
once that I belong  
                          **G#**                    **C#/F F# G# C#(Hold)**  
And that s what s going on
