

Forgiveness

Paramore

Intro 4x: **D A G**

Verso:

D **A** **G D A G**
You hurt me bad this time, no coming back
F#m **G**
And I cry till I couldn't cry, another heart attack
F#m **G** **A**
If I lay on the floor, maybe I'll wake up
D **A**
And I don't pick up when you call
G **D A G**
Cause your voice is a gun
F#m **G**
Every word is a bullet hole
Shot a hole in the sun
F#m **G** **A**
If I never look up maybe I'll never notice

D **A** **G D A G**
And you, you want forgiveness
D **A** **G D A G**
But I, I just can't do it yet

Verso:

D **A** **G** **D A G**
There's still a thread that runs from your body to mine
F#m **G** **A**
And you can't break what you don't see, an invisible line
F#m **G** **A**
If I follow it down would we just be alright?
D **A G** **D A G**
But it could take me all your life to learn to love
F#m **G**
How I thought I could love someone
G
I haven't even begun
F#m **G** **A**
If it's all up to us we might as well give up
