Verso 1:

```
F#5   B5                               G#5   B5
Somehow everything s gonna fall right in      to place
B5                               G#5   B5
if we only had a way to make it all      fall faster everyday
B5                               G#5   B5
if only time flew like      a dove
B5                               G#5   B5
we gotta make it fly faster than I m falling in love
