Last Hope
Paramore

Bb
I don t even know myself at all
      F
I thought I would be happy by now
Dm
The more I try to push it
  C   **F**
I realise you ve gotta let go of control

    Bb
Gotta let it happen
    F
Gotta let it happen
    Bb
Gotta let it happen
 C   **F**
Just let it happen

    Bb
It s just a spark
   Dm   **C**
But it s enough to keep me going
     Bb   **F**
And when it s dark out, no one s around
    C
It keeps glowing

(**Bb** **F** **Dm** **C**)

Bb
Every night I try my best to dream
     F
Tomorrow makes it better
Bb
Then I wake up the cold reality
      F
That not a thing has changed

    Bb
But it will happen
    F
Gotta let it happen
    Bb
Gotta let it happen
    F
Gotta let it happen

```
              Bb
It s just a spark
            Dm                      C
But it s enough to keep me going
                Bb                         F
And when it s dark out, no one s around
                  C
It keeps glowing

              Bb
It s just a spark
            Dm                      C
But it s enough to keep me going
                Bb                         F
And when it s dark out, no one s around
                  C
It keeps glowing

          F                                            Bb
And the salt in my wounds isn t burning anymore than it used to
                Dm                          C                              F
It s not that I don t feel the pain, it s just I m not afraid of hurting anymore
        F                                          Bb
Ad the blood in these veins isn t pumping any less than it ever has
                Dm                      C                          F
And that s the hope I have, the only thing I know that s keeping me alive

F
Alive

              Bb
Gotta let it happen
              F
Gotta let it happen
              Bb
Gotta let it happen
              F
Gotta let it happen

              Bb
Gotta let it happen
              F
Gotta let it happen
              Bb
Gotta let it happen
              F
Gotta let it happen

              Bb
It s just a spark
            Dm                      C
But it s enough to keep me going
```

(So if I let go of control now, I can be strong)
```
              Bb                        F
```
And when it s dark out, no one s around
```
            C
```
It keeps glowing

```
          Bb
```
It s just a spark
```
          Dm                      C
```
But it s enough to keep me going
(So if I keep my eyes closed, with nobody home)
```
              Bb                      F
```
And when it s dark out, no one s around
```
            C
```
It keeps glowing

```
Bb
```
Ahhh
```
