A#m   C#   F#
  I can t believe the news today,
A#m   C#   F#
  I can t close my eyes and make it go away.

C#   F#
  How long? How Long must we sing this song?
C#   F#
  How long? How long....?

    A#m   C#   F#
  Tonight. We can be as one.
    A#m   C#   F#
  Tonight.

A#m   C#   F#
  Broken bottles under childrens feet,
A#m   C#   F#
  Bodies thrown across the dead-end street.
A#m   C#   F#
  But i won t hear the battle call,
A#m   C#   F#
  It puts my back up puts my back up against the wall.

A#m   C#   F#
  Sunday, bloody sunday,
A#m   C#   F#
  Sunday, bloody sunday. 2x

A#m   C#   F#
  And the battles just begun,
A#m   C#   F#
  There s many lost but tell me who has won?
A#m   C#   F#
  The trenches dug within our hearts,
A#m   C#   F#
  And mothers children, brothers sisters torn apart!

A#m   C#   F#
  Sunday bloody sunday,
A#m   C#   F#
  Sunday bloody sunday.

C#   F#
  How long? How Long must we sing this song?

```
C#              F#
   How long? How long....?

A#m         C#                   F#
   And its true we are immune,
A#m         C#                   F#
   One fact is fiction and TV reality.
A#m         C#                      F#
   And today the millions cry,
A#m         C#                      F#
   We eat and drink while tomorrow they die.

(A#m          C#                     F#)
I wipe the tears from your eyes
I wipe your tears away
I wipe your tears away
I wipe your tears away
I wipe your bloodshot eyes

A#m      C#         F#
   Sunday bloody sunday,
A#m      C#         F#
   Sunday bloody sunday. 3x
