F# - 244322
E -   022100
Ebm - x68876
B -   x24442
G -   320033
Em - 022000

Intro: **F#**--**E**--**Ebm**-**E**--**B**-- x2

Verse 1:
F#
  Meet me here beneath
     E
the burning sky
          Ebm
Where the ocean comes and
E   **B**
takes us from all our lives
F#
  Never said that you
      E
were coming back
       Ebm   **E**
I have waited all the while
               B
and found the place you hide

Refrain:
F#   **E**
  What keeps you so far away?

Chorus 1:

```
B
  We can swim in silence
G
  You can pull me under
Em                           B
  I will not come up for anyone
G
  I could slowly sink in
Em
  Watch you as you leave
B                         G    Em
  I will drown until you care

Post Chorus 1:
F# E
     (I will drown
           Ebm E B
until you care)

Verse 2:
F#                      E
  I imagine what it must be like
        Ebm              E
To have everything you need
           B
And not be satisfied (satisfied)
F#                        E
  Run the water till it burns
        Ebm                   E
And you canâ€™t see through the waves
             B
That crash into your pride

(Repeat Refrain)
(Repeat Chorus 1)

Post Chorus 2:
F#        E
  (going under
F#         E
  going under)

Bridge:
F#              E
  cut it close to what
                F#
we cannot recognize
                        E
```

floating face down in the lies
```
                         F#
```
here we are without a trace
```
                             E
```
of the lies we used to blame
```
                     F#
```
and you€™re so far away
```
                     E
```
What keeps you so far away?

(Repeat Chorus 1)

Chorus 2:
Em
   We can swim in silence
B
   You can pull me under
G   **F#**
   I will not come up for anyone

(Repeat Chorus 1)

Outro: G--Em--B-- x2

```
G                               Em  B G--Em--B--G--Em--B--G--drumbeats
```
   I will drown until you care
