Thats What You Get
Paramore

Paramore â€" Thatâ€™s What You Get

Capo 3/4th fret . depend on ur voice

Intro = **C#** , **C#** , **G**/**Eb** , **F** , **G**/D(while switching from **F** to **C#**) X2

```
C#                                       G/Eb                              F
No sir, well I don t wanna be the blame, not anymore.
         C#                                           G/Eb                   F
It s your turn, to take a seat we re settling the final score.
        C#                          G/Eb          F
And why do we like to hurt, so much?
               C#
I can t decide
                                          G/Eb
You have made it harder just to go on
         C#
And why?
                        G/Eb
All the possibilities...
                      F , G/Eb
Well I was wrong

C#                                        G#                          G/Eb
That s what you get when you let your heart win. Whoa!
C#                                        G#                          G/Eb
That s what you get when you let your heart win. Whoa...
       F                         G/Eb              F              G/Eb
I drowned out all my sense with the sound of its beating.
          C#                                      G#                              G
/Eb
And that s what you get when you let your heart win. Whoa.
```

Repeat Intro

```
C#                                   G/Eb
I wonder, how am I supposed to feel when you re not here.
C#                                                  G/Eb
 Cause I burned every bridge I ever built when you were here.
C#                                      G/Eb
I still try... holding onto silly things, I never learn.
C#                                 G/Eb
Oh why? All the possibilities. I m sure you ve heard.

C#                                        G#                          G/Eb
That s what you get when you let your heart win. Whoa!
```

```
C#                                        G#                          G/Eb
That s what you get when you let your heart win. Whoa...
      F                         G/Eb           F            G/Eb
I drowned out all my sense with the sound of its beating.
          C#                                    G#                            G
/Eb
And that s what you get when you let your heart win. Whoa.

 C#                                G/Eb      F
Pain, make your way to me. (to me)
      C#                         G/Eb     F
And I ll always be just   so   inviting.

    C#                    G/Eb     F
If I ever start to think straight,
C#
This heart will start a riot in me,
G/Eb            F        G/D(switch)
Let s start... Start, hey!

C#                          G/Eb          F
Why do we like to hurt so much?
      C#                         G/Eb         F
Oh why do we like to hurt so much?
F
That s what you get when you let your heart win!
G/Eb
Whoa.

C#                                        G#                          G/Eb
That s what you get when you let your heart win. Whoa.
C#                                        G#                          G/Eb
That s what you get when you let your heart win. Whoa.

  F             G/Eb              F            G/Eb
I can t trust myself with anything but this,
        C#                                  G#                            G/
Eb
And that s what you get when you let your heart win, whoa.

Ending = C# , C# , G#(strum once)
```
