

**We Are Broken**  
**Paramore**

**C9** **G/B**  
I am outside  
**Em7** **G** **C9**  
And I ve been waiting for the sun  
**G/B**  
With my wide eyes  
**Em7** **G9** **C9**  
I ve seen worlds that don t belong  
**C9** **G/B**  
My mouth is dry  
**Em7** **G9** **C9**  
With words I cannot verbalize  
**G/B** **Em7** **G**  
Tell me why we live like this

**C6(9)** **G9/B** **D**  
Keep me safe inside  
**D4** **D** **C9**  
Your arms like towers  
**G9/B** **D** **D9**  
Tower over me, yeah

**Em** **G**  
Cause we are broken  
**D** **D9**  
What must we do to restore  
**Em** **G**  
Our innocence  
**D** **D9** **C9**  
And all the promise we adored?  
**A9**  
Give us life again  
**C9** **A9** **G**  
Cause we just wanna be whole

**C9** **G/B**  
Lock the doors  
**Em7** **G** **C9**  
Cause I d like to capture this voice  
**C9** **G/B**  
It came to me tonight  
**Em7** **G9** **C9**  
So ev ryone will have a choice  
**C9** **G/B**  
And, under red lights  
**Em7** **G9** **C9**  
I ll show myself it wasn t forged
