Intro: **G D Em C**

G D Em C
Da-da,
 Da-da, Da-da, Da,
 Da-da, Da-da, Da-da, Da

G D Em C
 So I was thinking to myself when you passed me by
 â€œHereâ€™s what I likeâ€•
 And you were with somebody else but you canâ€™t deny
 Thatâ€™s me in your eye

G D Em C
 Do you know
 What itâ€™s like
 When itâ€™s wrong
 But it feels so right?

[Chorus] **G D Em C**
 Nothing in this world can stop us tonight
 I can do what she can do so much better
 Nothing in this world can turn out the light
 Iâ€™m gonna make you feel alright tonight.
 Da-da, Da-da, Da-da, Da, Tonight
 Da-da, Da-da, Da-da, Da, Tonight

G D Em C
 Baby, you and I, we got what will never be
 You know Iâ€™m right
 So tell me what youâ€™re waiting for when youâ€™re here with me?
 Most guys would die

G D Em C
 You should know
 What itâ€™s like
 When it hurts
 â€˜Cause it feels so right

[Repeat Chorus]

G D Em
 I gotta tell you somethinâ€™
 Itâ€™s somethinâ€™ that you just might like
 No, itâ€™s not the same thing

Yeah, you'll learn I'm not too shy
You and I, we can do this thing tonight

[Repeat Chorus 2x]

Yeah, you'll learn I'm not too shy
You and I, we can do this thing tonight

[Repeat Chorus 2x]
