Verse 1

Cutting holes in the back of my eyes to make room for
all the black skies that I can t see and can t see me.

Making friends with some kids from a new town.

Buried bodies coming up from the ground now.

I am dead or dying. I am tired of trying now.

Verse2

Spent a month living out on the east coast made me realize

just who I love most and that s not you. That s not you. Well I m sorry for the
things that I said dear, but you and I were left in last year and now we re
gone.

We ve been for so long.

Chorus

I ve come to terms with the fact that I m dying.

And my lungs are turning black from the smoking.

But I am not afraid, no, I am not afraid. (x2)

No I am not afraid.
