What For?

Artist: The Park

Intro:

(E) (C) (E) x 4

Verse 1:

(E)	(C)	(E)
What's happening, what's happening?	What's going	on?
They're killing, not thinking.	What has gone	wrong?
What's happening, what's happening?	What's going	on?
I'm feeling, like screaming.	This can't be going	on.

Chorus:

(G)	(B)
Why have they killed them?	What is it for?
(C)	(G)
So many dying.	There'll be so many more.
(G)	(B)
There's no point in killing.	Against Nature's law.
(C)	(G)
Just the money talking,	and they want more.

Verse 2:

Accepting what's happening. Never be the same.
Our innocence is dying. We should be so ashamed.
Polluting. Infecting. So inhumane.
Not learning. Not caring. It'll happen again.

Verse 3:

They're screaming. Who's listening? Who'll answer their call?
Can't help them. Can't save them. Their voice is too small.
Can't change it. Can't stop it. Can't break down the wall.
When will it be over? How many will fall?
