Verse:

Em-D/G-G C D Em
With a grin on your face you left
Em-D/G-G C D Em
This battle-scene bed where I lay
Em-D/G-G C D Em
And I watched you leave
Em-D/G-G C D Em
They take from my fingers as they bleed
Em-D/G-G Am D
I watched you leave

Chorus:

G C
With the wind in my sails
Am
It and all that I wanted then
D
Was to hold you whole again
G C
This is my plea,
Am
You have what I need to be whole,
D Em
Come back to me

Verse:

With every breath that I take,

In every bone that you break,
See I will be waiting here in my bed
I will be waiting for you to come in,
Yeah, I will be waiting

Chorus:

With the wind in my sails
It and all that I wanted then
Was to hold you whole again
This is my plea
You have what I need to be whole
Come back to me

(instead of an Em play a G and back into the chorus line again)

With the wind in my sails,
It and all that I wanted then
Was to hold you whole again
