stanza1:

E **A**
i ve been told since i was young
that everytime that christmas comes
santa comes with gifts and toys
for every little girl and boy
i ve been told since i was small
that christmas comes with peace for all
everyone loves and no one hates
its been said that life is great

E **A**
maybe someday i would see
the christmas they keep showing me
the picture of how things should be
the one they keep on asking me to see

E A **E** **A**
maybe someday (maybe someday)

stanza2: (do stanza chords)
i wonder if they ll ever see
the children begging on the streets
the old man sleeping on a bed
of concrete underneath the shed
i wonder if they ll ever see
the family with no food to eat
the father with no gifts to leave
underneath the tree on christmas eve
