```
      Asus2      E
It took one look
      F#min      D
Then forever lay out in front of me
      Asus2      E
One smile then I died
      F#min      D
Only to be revived by you
      Asus2      E
There I was thought I had everything
      F#min  D
Figured out, goes to show
      Asus2
Just how much i know

Bout the way life,place out
```

      Asus2      E    D
I take one step away

My one and only one and
