

## Feeling Better

Pascale Picard

**Dm** **C**  
You don't fathom me, I thought  
**Bb** **C**  
For a while it's just because I didn't make any sense  
**Dm** **C**  
If it's hard for me to say I'm sure  
**Bb** **C**  
It's not because there's nothing left here for me to tell

**Dm**  
So marry me then leave me  
**C**  
On the kitchen floor  
**Bb**  
You can still get lost  
**C**  
When you know what you're looking for  
**Dm** **C**  
Or bury me and wash away  
**C**  
The dirt from your hands  
**Bb**  
I'm tired of trying to figure out  
**C**  
What you'll never understand

**Dm** **C**  
And if I throw myself into the river  
**Am** **Dm**  
To help you keep your head above the water  
**Dm** **C**  
What strength will I have left  
**Am** **Dm**  
To not drown together?

**Dm** **C**  
I might beg you not to leave, abandoned  
**Bb** **C**  
I sometimes feel like I can't go through all of this alone  
**Dm** **C**  
What's mine? What's yours? What did we do wrong?  
**Bb** **C**  
Walk the wire between our worlds, try not to lose myself

**Dm** **C**  
We love each other only the best we can  
**Bb** **C**

Through strengths and through flaws surrendering all we have

**Dm** **C**

If you could only walk a mile in my shoes

**Bb** **C**

Might be easier to let go and for this love to lose

**Dm** **C**

And if I hide my head in the sand

**Am** **Dm**

To avoid my reflection in your eyes

**Dm** **C**

The mirror might be dustier

**Am** **Dm**

But I m not uglier

**Dm** **C**

And if I throw myself into the river

**Am** **Dm**

To help them keep their heads above the water

**Dm** **C**

What strength will I have left

**Am** **Dm**

To not drown together?

**Dm** **C**

And if I hide my head in the sand

**Am** **Dm**

To avoid my reflection in their eyes

**Dm** **C**

No matter how loudly they applaud,

**Am** **Dm**

I won t feel any better
