One went out at a bus-stop in Edinburgh

Little lights in my heart

Said the cigarettes she found were not mine

Now I smoke like a chimney

It s getting dark in this heart of mine
 C **G** **Am**
It s getting dark in this heart of mine

We re born with millions
 C **G** **F**
Of little lights shining in the dark

And they show us the way

One lights up, every time you feel love in your heart

One dies when it moves away
