Am C G Am  
One went out at a bus-stop in Edinburgh

Little lights in my heart

C G Am  
One went out when I lied to my mother  
C G Am  
Said the cigarettes she found were not mine  
C G  
One went out within me

Now I smoke like a chimney  
C G Am  
It s getting dark in this heart of mine  
C G Am  
It s getting dark in this heart of mine

[Chorus]

G  
We re born with millions  
C G F  
Of little lights shining in the dark

And they show us the way

One lights up, every time you feel love in your heart  
Am G  
One dies when it moves away

C G Am

One went out in the back streets of Manchester

**C G Am**

One went out in an airport in Spain

One went out, have no doubt

When I grew up and moved out

**C G Am**

Of the place where the boy used to play

**C G Am**

One went out when uncle Ben got his tumor

**C G Am**

We used to fish and I fish no more

**C G**

Though we will not return

**Am**

I know one still burns

**C G Am**

On a fishing boat of the New Jersey Shore

**C G Am**

On a fishing boat of the New Jersey Shore

[Chorus]

**G**

We re born with millions

**C G F**

Of little lights shining in the dark

**Am G**

And they show us the way

**C G F**

One lights up, every time you feel love in your heart

**Am G**

One dies when it moves away

**G**

We re born with millions

**C G F**

Of little lights shining in our hearts

**Am G**

And they die along the way

**C**

Till we re old and we re cold

**G F**

And we re lying in the dark

**Am G**

Cause they ll all burn out one day

**C G Am**

They ll all burn out one day

**C G Am**

Oh oh, they ll all burn out one day

**C G Am**

They ll all burn out one day
