We re born with millions

Of little lights shining in the dark

And they show us the way

One lights up, every time you feel love in your heart

One dies when it moves away

Though we will not return

I know one still burns

On a fishing boat of the New Jersey Shore

We re born with millions

Of little lights shining in the dark

And they show us the way

One lights up, every time you feel love in your heart

We re born with millions

C G F

Of little lights shining in our hearts

And we re lying in the dark

Am G

Cause they ll all burn out one day

C G Am

They ll all burn out one day

Oh oh, they ll all burn out one day

C G Am

They ll all burn out one day
