All The Little Lights

Capo 7
[Intro:] **C#, G#, Bbm**

[Verse]
Bbm   **C#**   **G#**   **Bbm**
     One went out at a bus-stop in Edinburgh
        C#   **G#**   **Bbm**
One went out in an English park
        C#   **G#**   **Bbm**
One went out in a night club, when I was fifteen
C#   **G#**   **Bbm**
Little lights in my heart

[Verse]
        C#   **G#**   **Bbm**
One went out when I lied to my mother
        C#   **G#**   **Bbm**
Said the cigarettes she found were not mine
        C#   **G#**
One went out within me
      Bbm
Now I smoke like a chimney
          C#   **G#**   **Bbm**
It s getting dark in this heart of mine
          C#   **G#**   **Bbm**
It s getting dark in this heart of mine

[Chorus]
G#
We re born with millions
    C#   **G#**   **F#**
Of little lights shining in the dark
        Bbm   **G#**
And they show us the way
            C#   **G#**   **F#**
One lights up, every time you feel love in your heart
    Bbm   **G#**
One dies when it moves away

[Verse]
        C#   **G#**   **Bbm**

```
One went out in the back streets of Manchester
        C#        G#       Bbm
One went out in an airport in Spain
        C#             G#
One went out, have no doubt
          Bbm
When I grew up and moved out
      C#              G#        Bbm
Of the place where the boy used to play

        C#              G#        Bbm
One went out when uncle Ben got his tumor
        C#        G#       Bbm
We used to fish and I fish no more
      C#        G#
Though we will not return
      Bbm
I know one still burns
      C#                G#        Bbm
On a fishing boat of the New Jersey Shore
      C#                G#        Bbm
On a fishing boat of the New Jersey Shore

[Chorus]
G#
We re born with millions
    C#            G#              F#
Of little lights shining in the dark
        Bbm          G#
And they show us the way
              C#              G#                    F#
One lights up, every time you feel love in your heart
      Bbm          G#
One dies when it moves away

G#
We re born with millions
    C#            G#              F#
Of little lights shining in our hearts
        Bbm          G#
And they die along the way
                        C#
Till we re old and we re cold
        G#            F#
And we re lying in the dark
              Bbm                G#
 Cause they ll all burn out one day
C#        G#        Bbm
They ll all burn out one day
        C#        G#        Bbm
Oh oh, they ll all burn out one day
C#        G#        Bbm
```

They ll all burn out one day
