Fairytales & Firesides lyrics

[Intro]

D

[Verse I]

D **G** **D**
We are bitter losers, snarling through our smiles
Bm **G** **A**
We re the lost boys, in the supermarket isles
G **A**
We re Christmas dogs, dumped by the side of the road
D **F#m** **Bm**
Confused, we will run for miles
G
We are road rage
A
We are stone age
D
We are wild

[Verse II]

D **G** **D**
We are busted light bulbs, in a backstreet neon sign
Bm **G** **A**
We re the shaking gun, in a service station line
G
We ll drink though we re drunk,
A
We ll sink though we ve sunk
D **F#m** **Bm**
We re f****d but we say that we re fine
G
We are rampage,
A **D**
Missing back pages in our spine

[Chorus]

G **D** **A**

We long, for journeys and the roadside
G D A
We long, for starlight and the low tide
G D A
Yeah, we long, for fairy tales and fire sides
D
And oh,

[Break]

[Verse III]

D
We are coffee house cynics,
G D
Too righteous, too rigid to believe
Bm
Disappointed romantics,
G A
Scraping the hearts from our sleeves
G
We re the toothless drunk,
A
We re the ageing punk
D
Yeah, we are Adam,
F#m Bm
We re the apple and we re Eve
G A D
We are beggars with shiny pennies, on our knees

[Chorus]

G D A
We long, for sunlight on the hillsides
G D A
Yeah, we long, for yesterdays and hindsight
G D A
Oh, we long, for fairy tales and fire sides
G
And oh,
