Feather On The Clyde chords
Passenger (from the album All The Little Lights)

Capo I *

D G Bm D G 2x

Well, there s a river that runs through Glasgow

And it makes up and it breaks up

And it takes her in two parts

And the current just like my blood flows

Down from the hills

Round aching bones to my restless heart

D G

Well, I would swim but the river is so wide

Scared I won t make it to the other side

God knows that I ve failed,

But he knows that I ve tried

I long for something that s safe and warm

But all I have is so often is gone

And it s helpless and it s hopeless

As a feather on the Clyde

G A D G G Bm G D

On the other side where no cars go

Up to the hills that stand alone
G D
Like my restless heart
