

**Four Horses  
Passenger**

*Intro:* Dm Cm Bb Gm Cm Dm Cm Bb

Verse 1

Dm F Dm F Bb  
Four horses pull a carriage through an empty street  
F Gm  
And though the day is cold & still they are not  
Bb Cm Dm F  
breathing They make no sound at all  
Bb F Gm  
As easily as water finds its way to ground  
Bb Cm F  
They bleed into the brick and are gone

Cm Eb Bb F  
And I have seen what I have seen as I fall  
Cm Eb Dm F Cm  
Like a whisper in the dome of St Paul  
Eb Bb F Cm  
The drowning man s forgot what he s called  
Eb Bb Dm  
But he illuminates our town for us all

Interlude

F Bb Dm F

Verse 2

Bb F Bm  
Walk up the narrow staircase from the balcony  
Bb Cm Dm F  
And at the top go out and grip the golden railing  
Bb F Gm  
The view from up here really takes your breath away  
Bb Cm F Cm  
You step out of of your skin and you re gone

Cm Eb Bb F  
And I have seen what I have seen as I fall  
Cm Eb Dm F Cm  
Like a whisper in the dome of St Paul  
Eb Bb F Cm  
The drowning man s forgot what he s called

Eb                          Bb                          Dm  
But he illuminates our town for us all

F  Cm  
So follow me down to the riverside, honey  
Eb  Bb  
We can pack our bags and take all our money  
F                          Cm  Eb                          Bb  
We can fly away, we can fly away

F  Cm  
Take me down to the railway tracks  
Eb  Bb  
We can cross the bridge where the sun sets, baby  
F                          Cm  Eb                          Bb  
We can fly away, we can fly away

F          Cm      Eb      Bb  
Take me down, take me down  
F      Cm  Eb      Bb  
Fly away, fly away
