[Verse 3]

Well, I ve been dancing blindly, I ve been preaching to the choir

I m the boy who cried wolf, but I dispute that I m a liar

Oh, when I left my frying pan to jump into the fire

I built my house on the sand and I ll keep on building it higher

I built my house on the sand and I ll keep on building it higher

[Chorus 2]

Searching for a heart to love

Is like staring at the stars above

You can t teach it how to feel

What isn t there and isn t real

So I keep searching for a heart to love

[Outrol]

Well, I keep searching, I ll keep searching

Yeah, I keep searching, I ll keep searching love

Yeah, I keep searching for a heart to

Love, love, love

Lo - o - ove

Lo - o - ove
