Keep On Walking chord

Passenger \*

**F**

Last night I couldnâ€™t sleep

**Bb**

I got up and started walking

**F**

Down to the end of my street

**C**

And on into town

**F**

Where I had no one to meet

**Bb**

**Bbm**

And I had no taste for talking

**F**

Seems Iâ€™m talking my whole life

**C**

**F**

Itâ€™s time I listened now

**F**

Well, I walked past the late night boys

**Bb**

With their bottles in their doorways

**F**

And I walked past the business men

**C**

Sleeping like babies in their cars

**F**

And I thought to myself for some

**Bb Bbm**

You may be lost in more ways than one

**F**

But Iâ€™ve a feeling that itâ€™s more fun

**C**

**F**

Then knowing exactly where you are

**F**

**Bb**

And like a storm

**F**

Carried on the river

**Bb**

And like a boat

**C**

Sailing on the sea

**F**

And I keep on walking

**Bb**

**Bbm**

Oh, I keep on walking

**F**

**Bb**

**Bbm**

Till I find that old love or that old love

**C**

**F**

Comes to find me

**F**

I walked into the morning

**Bb**

Felt the warm sunlight forming on my shoulders

**F**

Cause it hit me with no warning

Like a summer sky a storming

**C**

In my lungs

**F**

Ain't it funny how the kids walk by

**Bb**

**Bbm**

Doing anything to make themselves look older

**F**

While the women spend their money on

**C**

**F**

Anything that makes them look young

**F**

**Bb**

And like a storm

**F**

Carried on the river

**Bb**

And like a boat

**C**

Sailing on the sea

**F**

And I keep on walking

**Bb**

**Bbm**

Oh, I keep on walking

**F**

**Bb**

**Bbm**

Till I find that old love or that old love

**C**

**F**

Comes to find me

**F**

**Bb**

Oh, Lord Lord

**F**

Oh, Lord Lord

**Bb**

Oh, Lord Lord

**C**

Oh, Lord Lord

**F**

**Bb**

And like a storm

**F**

Carried on the river

**Bb**

And like a boat

**C**

Sailing on the sea

**F**

And I keep on walking

**Bb**

**Bbm**

Oh, I keep on walking

**F**

**Bb**

Till I find that old love or that old love

**C**

**F**

Comes to find me

**F**

**Bb**

Till I find that old love or that old love

**C**

**F**

Comes to find me
